Florida Fund for Minority Teachers, Inc.
Florida’s Answer to Diversity in Education!

Teaching is the profession that begets all others. Without teachers there would be no scientists, no doctors, no lawyers and no presidents. That why Florida’s children need you!

If you’ve been considering a career in teaching, or you know of anyone who has, we can help. Florida Fund for Minority Teachers, Inc. administers the Minority Teacher Education Scholarship to college juniors and seniors in state approved teacher education programs. The award is $2,000 in both the Fall and Spring semesters of your junior and senior year.
That’s **$4,000 a year** to pursue your dream so that you can help Florida’s children discover theirs!
