PROFESSIONAL LICENSURE DISCLOSURE STATEMENT
Nova Southeastern University
Fischler College of Education and School of Criminal Justice

Degree Title (Concentration)	Level
M.S. in Applied Behavior Analysis	Master of Science (M.S.)

PROFESSIONAL LICENSURE DISCLOSURE STATEMENT

This Disclosure is strictly limited to NSU's determination of whether the **Master of Science (M.S.) in Applied Behavior Analysis (ABA)** (the "Program"), if successfully completed, would be sufficient to meet the educational requirements for licensure or certification in a State, as defined as 34 C.F.R. § 600.2. This program is designed to meet the coursework requirements for the Board Certified Behavior Analyst® (BCBA®) Pathway 2. Students must satisfy additional requirements for certification established by the Behavior Analyst Certification Board® (BACB®), as well as any applicable state licensure requirements.

NOTE: **This Disclosure does not guarantee that any particular State licensure entity will approve your application for certification or professional licensure.** Furthermore, it does not account for changes in State law that may affect your application for licensure at or after the time that this Disclosure has been made. If your career plans include pursuing professional licensure or certification in your chosen field, it is important to contact the State's licensure entity to become educated on the credentialing requirements of the State where you intend to practice.

In accordance with 34 C.F.R. § 668.43, NSU has determined whether the Program satisfies State educational requirements for licensure as follows:

PROGRAM MEETS EDUCATIONAL REQUIREMENTS	PROGRAM DOES NOT MEET EDUCATIONAL REQUIREMENTS
Alabama, Alaska, Arizona, Connecticut, Georgia, Hawaii, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Nebraska, Nevada, New Jersey, New York, North Carolina, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Dakota, Tennessee, Texas, Utah, Vermont, Virginia, Washington, Wisconsin, Wyoming	Maryland

Note: Licensure **may not be required—or may be pending—in states or territories not listed above. To confirm eligibility for professional practice in behavior analysis, please consult the U.S. Licensure of Behavior Analysts directory.*

State licensure or certification requirements can vary from state to state, depending on each State's laws and regulations. The State licensure entities are responsible for overseeing the educational and non-educational requirements for licensure or certification for their State.

It's important to note that national certification does not guarantee licensure, and some states require licensure in addition to certification. We encourage all prospective and enrolled students to contact their applicable State licensure entities to familiarize themselves with the specific professional licensure or certification requirements. If you have trouble obtaining the information you need, or if you have any other questions regarding certification, please contact Dr. Lisa Carbone or Dr. Tara Sheehan at fischlerinfo@nova.edu for assistance.

**State licensure entities may impose additional requirements based on the applicant's qualifications and current state regulations. Students are encouraged to contact these licensing entities for updates on changes in requirements for practicing ABA or e-mail fischlerinfo@nova.edu for assistance.*

Note: Per 34 CFR § 668.43, the Fischler College of Education and School of Criminal Justice (FCE&SCJ) defines ***a Professional Licensure Program*** *as an academic program designed, marketed, and/or advertised to fulfill the educational prerequisites for a particular state license or certificate for employment.*
