*Florida participates in the **National Association of State Directors of Teacher Education and Certification (NASDTEC)** Interstate Agreement. Under these guidelines, other member states accept completing an NSU-approved program. Applicants must meet the home state test and jurisdiction-specific requirements and submit a valid educator certificate/licensure issued by Florida at the degree level, grade level, and teaching field for which the

certificate is sought. It is not a guarantee that the receiving state will accept all certificate titles, but you may have to complete additional requirements, such as coursework, assessments, or classroom experience, before receiving a full professional certificate in the new state. State requirements are subject to change at any time. Additional information may be obtained by visiting the NASDTEC website: <https://www.nasdtec.net/>

**State licensure entities may impose additional requirements based on the applicant's qualifications and current state regulations.
Note: Per 34 CFR § 668.43, the Fischler College of Education and School of Criminal Justice (FCE&SCJ) defines a Professional Licensure Program as an academic program designed, marketed, and/or advertised to fulfill the educational prerequisites for a particular state license or certificate for employment.*
