

Tuition and Fees

University Student Services Fees must be paid in addition to tuition each term. The Student Services Fees will amount to \$350 per semester for students enrolled in two or more courses, for a combined total of four or more credits, not to exceed \$1050 per year. Students enrolled in a single course of three credit hours or less will pay \$175 per semester, not to exceed \$525 per year. Students taking quarterly programs will be adjusted to the same as those of semester students. The Student Services Fee will go towards the introduction of new programs and the enhancement of existing activities concerning health, safety, welfare, and technology services available to NSU students.

Tuition and fees are subject to change without notice.

Students enrolled in cooperative/initiative programs may pay modified tuition rates and should speak to a program representative regarding tuition information. Per NSU policy bills are mailed to students about the middle of every month. Students will receive a bill which shows any activity on the account or any balance due to NSU. Students with credit balances (usually deposits for future terms), also receive bills.

Please Note: Students should not wait to receive a statement before paying their tuition and fees. Timing differences may result in late fees.

Following is a list of tuition rates effective July 1, 2016. Tuition rates are posted per credit hour. Students enrolled in Applied Dissertation Services pay per semester.
